

## Tariff of charges

There is no charge for the standard operation of your account. However, it may be from time to time that you ask us to carry out certain exceptional requests or transactions and these may incur charges. Only for these exceptions will the following charges apply to all savings accounts.

| Transaction                              | Charge           |
|--|------------------|
| CHAPS/Telegraphic Transfer               | £30 per transfer |
| Unpaid cheque                            | £20 per cheque   |
| Supply of information on closed accounts | £20 per account  |

Notice will be given before any charge is debited to your account.

Other exceptional requests not covered by the above may incur a charge and we will advise you of any charge at the time of your request.
